City opening sites for residents to receive water for toilet use

The City will be opening five locations for residents to be able to drive up and receive water to be used for flushing toilets. Please bring containers with you to be able to hold water. There will be a 30-gallon limit at this time.

Locations:

- Mary E. Lee Park - 2160 Mary E. Lee Rd.
- Lamar Elementary School - 3444 School House Dr.
- Bonham Elementary School - 4630 Southland Blvd.
- TLCA High School Campus by the Bluffs - 5687 Melrose Ave.
- San Angelo Stadium - 1919 Knickerbocker Rd. Please enter off of Johnson St. across from the Verizon building.

The sites will open at 1 p.m. today.
